## Strawberry Charm Cocktail

*This drink is a great all-natural, locally sourced substitute for the popular flavored-vodka style of “martinis.” The Maui Preserved vanilla powder and honey add a deep caramel-marshmallow flavor.*

- 1½ ounce vodka
- 3 Kula strawberries
- 1/8 teaspoon Maui Preserved vanilla powder
- ½ ounce half-and-half
- 1 ounce Hawaiian honey syrup\*
- Sugar cane stick
- Mint leaves

### Salted Coffee Rim:

- Red ‘alaea salt
- Hawaiian coffee, ground
- Raw Maui cane sugar
- Hawaiian honey syrup\*

Make the Salted Coffee Rim: Combine equal parts salt, coffee and sugar. Dampen martini glass rim with honey syrup. Roll in salt mixture.

Make the drink: Purée 2 strawberries, vanilla powder, half-and-half and honey syrup. Combine puréed mix and vodka in a mixing tin; add ice, cover and shake. Strain into a martini glass. Garnish with remaining strawberry, sugar cane and mint leaves.

\*Honey syrup: Mix equal parts Hawaiian honey and boiling hot water. Allow to cool before using.
